Time	Party Composition				Loc	F	SP	PT	MNK	BEH CODE
	AMM	AFF (Include estrous)	JMM (Juveniles and Infants)	JFF						
1650	As chimps were moving and feeding they came across a wire snare trap caught a pangolin and they made hoos looking at it. The came close and tried to break the chimps which the pangolin was entangled in and releasing the trap but in vain. They stayed watching for some minutes until we (obs) released it that's when the chimps moved away.
